7K Behavior Count

1K Total Students

0.50 Avg % Score

Page 1

Page 1 of 1

The screenshot shows a Power BI Desktop interface with a dark theme. On the left, there's a navigation pane with icons for Home, Data, Reports, and Settings. The main area displays a report page titled "Page 1". The report features three large KPI cards: "7K Behavior Count" (blue), "1K Total Students" (orange), and "0.50 Avg % Score" (green). Below these cards is a slicer panel containing filters for Class, Subject, Term, Gender, and Class. The "Subject" filter is expanded, showing options like Geography, History, Math, and Science. The "Term" filter is also expanded, showing Term 1, Term 2, and Term 3. The "Gender" filter shows Female and Male. The "Class" filter shows Class 1 and Class 12. To the right of the report is a "Visualizations" pane with sections for Auto-create, Visual, General, Colors, Data labels, Category labels, and Conversion rate labels. The "General" tab is selected. At the bottom, it says "Page 1 of 1".
